Auburn Montessori School-

The Children's House

Dear Parents,

The staff and I happily accompany you on your journey to prepare your young children for life as well as for academic success. We dedicate ourselves every day to create and maintain a peaceful learning environment in order to achieve these goals.

In response to frequent requests by parents for advice about what they can do at home to best prepare their children for school and life. I have put together a simple list. This list contains the basic essentials on which a strong foundation for peace and learning is built. I hope you will find ways to customize it as you also work to create productive and respectable members of our society.

Practice:
1. Manners
2. Healthy eating habits
3. Rest and Exercise
4. Proper hygiene
5. Routines that encourage independence.

Teach:
1. Responsibility
2. Respect
3. Courage
4. Forgiveness

Model:
1. Fun
2. Good work ethic
3. Effective communication

A complete set of exercises for growth and development has been outlined for you in the Record of Presentations.

Sincerely,
Charlene Kam
